Thank you for joining us in another round, new and returning participants alike! We hope you're taking notice to the quick ramp-up in difficulty.

This time, we witnessed a handful of perfect scores in the intermediate division, but only a single one in the senior division. That honor goes to Zixiang Zhou of University Heights Public School, coming out on top for yet another victory after having done so in the last round!

The senior division prizewinners for this round are:

1. **Zixiang Zhou** of University Heights Public School (\$100)
2. **Brian Chau** of Woburn Collegiate Institute (\$50)
3. **Royi Luo** of Richmond Hill High School (\$25)
4. **Andrew Tang** of Erindale Secondary School (\$25)
5. **William Huang** of Woburn Collegiate Institute (\$25)
6. **Evan Yu** of Iroquois Ridge High School (\$25)
7. **Henning Jiang** of Vincent Massey Secondary School (\$25)
8. **William Fung** of Richmond Hill High School (\$25)

Finally, we would like to applaud a job well done to the top Junior finishers (all with perfect scores): **Anitra Roy** and **Robert Chung** of Churchill Heights Public School, and **Henry Guo** of A.Y. Jackson Secondary School.

Congratulations! These prizes will be distributed as Visa gift cards during the on-site finals in May to which all of the above winners are invited (more details to come later). Do not fret if you may not be able to make the final round in person – we will mail your prize to you afterwards.

Remember that we will have many prizes in the remaining rounds of the year, so keep on practicing! Problems and solutions for this round are now posted at: woburnchallenge.com/past-contests. Once again, we thank all of you who participated, as well as teachers for sharing this with your students.

Sincerely,
The Woburn Challenge Team
